## NZ Region – Australasian Hydrographic Society Webinar #7

*This Webinar is proudly sponsored By Trimble.*

### When:

- Friday 27th **September 4pm NZ time** Duration: 1 hour
- It will be recorded for members who can't make the date/time

### Agenda:

- Opening remarks: Gary Chisholm & Kevin Smith (NZR Chairman)
- **TOPIC 1: Hydrographic Surveying Certification in the Region**
  - Dave Field - ixBlue Pty Ltd
    - An explanation of the Hydrographic Certification system - benefits, the path to obtain it and where it can be used.
    - This presentation has the support of the Australasian Hydrographic Society and Surveying & Spatial Sciences Inst. (SSSI) Hydrographic Certification Panel (AHSCP)
- **TOPIC 2: Surveying, Risk Avoidance and Certification of Hydrographic Surveyors in NZ**
  - Bruce Wallen - DML Ltd
    - Bruce is the Compliance Manager at DML Ltd. He has a wealth of hydrographic experience in the NZ Navy and now in DML
- **TOPIC 3: A current day tide gauge campaign in NZ**
  - Dave Mundy - Southern Hydrographic Ltd
    - Dave is involved with the current campaign related to the LINZ JLAS (Joining Land and Sea datum project)
    - He will explain how this large number of tide gauges are deployed, and retrieved, around NZ's challenging coastline.
- Questions
- Closing remarks: Gary Chisholm
